

editorial features 2012

A note from the editorial director

Networking+ is your magazine and we welcome your contributions. Below, you will find the topics that we are aiming to cover in 2012 and we encourage you to get in touch if you would like to find out more about how you can get involved with these.

As well as our features, we also encourage you to contribute to the regular sections detailed below. Your comments are always welcome so please feel free to contact me, Rahiel Nasir, editorial director at rahieln@kadiumpublishing.com, or Ian Grant, deputy editor at iang@kadiumpublishing.com.

Regular sections:

NEW! cloudworking

How the cloud affects network managers: the latest news, products, and initiatives. Plus regular industry comments – we welcome your views about cloud networking
